## KIA KAHA FUN RUN THURSDAY 21 MARCH

Here we go - it's nearly here!

The weather will be great, the fun will be plenty, and you are all invited to join us for a few laps! If you do – they count for your child's house points.

MARCH 21 is the day. Starting at 9.30am and running / walking for two hours until 11.30am, raising funds for new Chromebooks for each class.

Sponsorship forms are coming out soon so please help your child get some donations/sponsors to ensure they achieve their Latimer for this event. We are hoping for a minimum of \$15 raised by every student. This year sponsors will be able to donate via internet banking to make things easier.

## ALSO, ON THURSDAY 21 MARCH...

### PAID UNION MEETING FOR ALL TEACHERS

On the same day – there is a paid union meeting for all primary teachers in the BOP.

The industrial action is unfortunately set to continue in 2019.

Following the Kia Kaha Fun Run school will be closed for instruction.

**So – we need your help please.**

Our whole teaching staff will be attending the union meeting and will not be at school for the afternoon after the Kia Kaha.

I am asking you please to take your child home following the Kia Kaha (after you have done a few laps!) and maybe a couple of mates whose parents can't collect them.

The buses must run at normal time because the High School is not involved in the union meeting.

**All students need to be collected by 1pm at the latest.**

Thanks for your support.

### PROPERTY

We take pride in our school, school property and resources. We provide our students with the very best learning environment we can and have high expectations of student behaviour and respect for property.

Absolutely no graffiti or vandalism will be tolerated – all costs arising from wilful damage at school are passed on to parents for payment.

## FIJIAN STUDENTS TO JOIN THE RUGBY ACADEMY

Darren Harvey and Steve Miln have just returned from the annual trial in Fiji to select two boys to attend TPI on a scholarship for two terms. Boys from across Fiji were invited to trial, being selected from an all of Fiji tournament.

Over the week, after trials, meetings with schools, the Rugby Union and whanau – they have selected two exceptional and talented young men – Samu and Judah who will join TPI at the start of Term 2.

Judah

Samu

We look forward to these boys joining our school community, getting to know them and sharing a slice of Te Puke and NZ with them.

## LEARNING CONFERENCES TERM 1 2019

In Week 10 we have our first learning conferences. Every student and their whanau are expected to book a conference with the teacher to discuss successes and next learning steps, how you can support this at home etc.

Tuesday 9 April is the first day of conferences and the whole day is dedicated to conferences.

### School is closed for instruction on this day.

Reporting to parents about achievement is an important aspect of a teacher's job and workload and the BOT have given permission for a whole day to be used to ensure that reporting occurs in work time rather than several evenings across the week in personal time.

We trialed this last year and had a massive turn out from whanau in attendance.

This is advance notice that school will not be open for instruction on this day, rather open for conferences only. Please put this date in your diary now. Thank you.

## SAMOA TRIP 2019

Just a reminder that the date for all deposits is the Monday 18 March.

If you are keen to go – get your deposit in on time and ensure you are on the list! It's a wonderful trip and lifetime experience.

## KIWICAN LESSONS
